Hi,
I was there that day. The 'minor adjustments' you speak of aren't minor at all.
At least we know now what has been happening to all the transcripts. The Judges get to review them and edit out any parts that work in the accused persons favour.

That was the confession I have been looking for, this email just made it into the book.

Judges altering the records of what was said and done in a courtroom? LOL only in Queensland

Good morning Mr Hickey,

Thank you for your email.

The transcript you received on 11 August 2020 is the "Judgment" portion of proceedings only. The "Hearing" portion, comprising the submissions prior to the Judgment, was received from Auscript on 18 August 2020 and distributed to you the same day.

The Judgment transcript bears a "REVISED" watermark because the transcript has been revised by the Judge.

The transcript was initially generated verbatim by Auscript and provided to the presiding Judge for review before final release. During a review, the presiding Judge might make minor adjustments to the text of the document.

If you would like a copy of the audio recording for this matter, please place a separate order via Auscript. You may also submit a new fee waiver application for the audio if you wish, otherwise, fees apply. When placing your order, select "Audio CD" under "transcript type" and in the comments please request both the entire matter. Please ensure you include the following details on your order:

Matter title: ATTORNEY-GENERAL FOR THE STATE OF QUEENSLAND v HICKEY
Matter number: 2814/19
Division: Civil
Judge Presiding: Justice Douglas
Jurisdiction: Supreme Court
Location: QEII Courts of Law
Courtroom: Courtroom 13 Level 5

We have attached a copy of the Auscript application form and the financial hardship fee waiver application for your convenience.

If I can be of any further assistance please don't hesitate to contact me.

Best Regards

To whom it may concern,

I have a copy of this.

I need the rest of the transcript. This is incomplete. I was there I know what was said.

Why does the transcript have REVISED stamped all over it?

Are you really going to tell me that in a case where I was jailed for alleging that Queensland courts and Auscript are providing inaccurate transcripts, Auscript will give me an incomplete, inaccurate transcript of this trial?

Seriously? Monty Python couldn't write better satire.

Please send me the recording of the proceeding. I will transcribe it myself for accuracy.

Thank you

regards

Simon Hickey
